LETTERVIA FACSIMILE - (703) 872-9306

Attn.: Technology Center 1600  
Commissioner for Patents  
Washington, DC 20231

Sir:

On February 18, 2003 a Revocation of Power of Attorney and (new) Power of Attorney were filed to change the agent of record in the above-identified patent application. A follow-up call to the Inventor Patent Assistance Department inquiring about the status of the entry of the documents of today's date revealed that neither the Revocation of Power of Attorney nor (new) Power of Attorney documents have been entered to date. We have attached copies of the aforementioned documents together with a copy of the return date-stamped acknowledgement postcard evidencing that the documents were received by the OIPE division of the U.S. Patent and Trademark Office.

Attorney Docket No. 2502365-991300

We respectfully request that the above-referenced documents be entered into the system to reflect the change of agent of record. If there are any questions or additional information required, the undersigned can be contacted at (415) 836-2531.

Respectfully Submitted
